

AUSTRALASIAN GROUNDWATER CONFERENCE

GROUNDWATER FUTURES SCIENCE TO PRACTICE
11-13TH JULY 2017 UNSW, SYDNEY

Panellist: The Australasian Groundwater Stocktake

Mr. Neil Power

**Director Water Science and Monitoring - the Department of Environment,
Water and Natural Resources South Australia**

Neil is the Director Water Science and Monitoring with the Department of Environment, Water and Natural Resources South Australia. Neil is responsible for leading the water science and water monitoring functions within the Science Group of the Department and state research coordination with the Goyder Institute for Water Research.

Neil has extensive experience in managing technical assessment programs in surface water hydrology, groundwater and water ecology in the Department and experience in water resource management and policy advice. Neil is the Chair of the National Groundwater Working Group, which is a national policy advisory group to the National Water Reform Committee and he chaired a COAG working group on groundwater in 2008.
